

Fact Sheet — TTI courses in Las Vegas, Nevada

Class Hours

On the first day of each course, registration opens at 7:30 am and class starts promptly at 8:00. On the second and subsequent days class will meet from 8:00 to 4:00 daily. Specific starting and ending dates are included in our confirmation letter, or see [our on-line schedule](#).

Meeting Place

The class will meet at TTI's training facility located at 115 E. Reno Ave, Suite 2, Las Vegas, NV, 89119, in the Quail Air Center ([see map](#)). Telephone 702-968-0158 if you need local information and directions.

Traveling to Las Vegas

Numerous airlines fly into Las Vegas' [McCarran International Airport](#) from most major US cities, and many international points of departure. See <http://www.mccarran.com/> for flights. We recommend that you do not make your air travel reservations until the course starting date is less than four weeks away or you have been assured by TTI that the course will proceed as scheduled. Please contact TTI before making your reservations, and do not book non-refundable tickets.

Driving Instructions

If driving into Las Vegas from the south, exit Interstate 15 at Russell Road. Turn left onto Las Vegas Blvd. (the Strip) and then right onto Mandalay Bay Dr. It curves to the left and becomes Giles St., and then curves to the right onto Reno Avenue. Turn right onto Haven St., and left into the first driveway. Suite 2 is the last unit in the building on your right.

Accommodations

You will need to arrange your own accommodations. Casino hotels sometimes offer value-priced rooms, but you also may encounter long lines at check-in. For those who prefer non-gaming hotels: [several are listed on a later page of this document](#).

Preparation

If you have any specifications or procedures relating to your current project, please bring them along to class. Bring your calculator with you, along with specifics of any related problems that may be causing you concern. Also, any manuals or sales literature for test equipment you want to discuss or are considering purchasing.

Course Notebook

Each attendee will receive a copy of the course notebook, which contains copies of the view graphs displayed during the class, and space to write notes concerning questions and comments by the instructor or other classmates. Review your notes each evening; if in doubt about some topic, ask your instructor the next morning.

Information Form

The [Registration/Information Form](#) is designed to maximize your benefit from the course by informing us of your particular needs and interests. **Please e-mail us the completed information form.** We are interested in knowing how your activities and those of your section fit into your organization's overall programs.

Return Travel

We cover a semester's worth of material in our classes. Please make every effort not to cut short your attendance on the last day. To receive your certificate, make your travel reservations based on leaving class no earlier than 4:00 pm on the final day of your course. Your flight departing from Las Vegas should be no earlier than 5:30 pm on the final day.

General Information

Classroom attire is informal; for your comfort, please bring a jacket or sweater to class with you. The most affordable travel along the famous Las Vegas Strip is via [The Deuce](#) bus line.

We look forward to meeting you!

Las Vegas, Nevada

Non-Gaming

- ① **TTi Training Facility**
115 E. Reno Ave., Suite 2 702-968-0158
- ② **Desert Rose Resort (closest hotel)**
